

777 PROBABILITY FALL 1999

The time and place for this course have been changed to

Tu, Th 1:25-2:40 PM in Baker Hall, Room 135.

If this time is inconvenient for some participants, we can try to arrange another time at the first meeting.

I plan to go through some chapters of a forthcoming book by R. Lyons and Y. Peres and perhaps also part of the 1997 lecture notes for St. Flour of Y. Peres.

Harry Kesten
